

*The labels that distinguish the finest wines and liquors from Mexico and around the world are made at Mayapack.*

We are proud to be part of the international recognition of excellence in winemaking and distillation, have been honored with medals from the Concours Mondial de Bruxelles, the most prestigious wine and spirits competition in the world, held in Belgium.

Every label, certificate, and printed element reflects our commitment to quality and perfection, which we bring to each project for leading wine and spirits producers.

Our mission is to amplify the value of products through functional, attractive, and sustainable developments, backed by state-of-the-art technology and a highly specialized team.

### Custom packaging and wrapping.

We develop personalized solutions that ensure the safety and quality of presentation, offering both traditional and eco-friendly options.

We are authorized providers for the printing and supply of Electronic Tags (Marbetes Electronicos) in Mexico, complying with the official SAT (Secretaria de Administración Tributaria) requirements for alcoholic beverages. We guarantee traceability, legality, and regulatory compliance with the highest standards of quality and safety.

### Sustainability and commitment.

We integrate recycled materials, efficient processes, and diverse technologies that minimize environmental impact without compromising your brand's image. We are proud to be recognized for transforming ideas into tangible solutions that connect, communicate, and protect your products.

## A w a r d - W i n n i n g

For transforming ideas into concrete solutions that connect, communicate and protect your brand.
