OFFICIAL REGULATION

I. Of the objectives:

Mexico is internationally recognized as an important country that produces quality wines and spirits, and its prestige is growing every day. Based on this reality, the **México Selection by CMB 2023** aims to achieve two objectives:

- To highlight the characteristics of quality Mexican wines and spirits, by region of origin, in Mexico and overseas, while promoting a healthy competition to raise qualitative standards, from their own appellations of origin.
- To attract international opinion leaders to Mexico, to disseminate in their respective media and communication networks information regarding the achievements of Mexican winegrowing industry, as well as the production of regional spirits.

Thanks to the technical organization in charge of the Concours Mondial de Bruxelles, an organization with 31 years of experience in the sector, the **México Selection by CMB 2023** will position itself as an excellent showcase for international markets.

II. Of the supported products:

The **México Selection by CMB 2023** will be open to all Mexican wines and spirits included in the Categories indicated in point IX of these Regulation, in accordance with Mexican wine legislation and the definitions of the OIV International Code of Oenological Practices.

VII. About the Jury and the tasting sessions:

The **México Selection by CMB 2023** will designate the tasting juries based on their recognized experience and international capacity as tasters. The tasting sessions will take place strictly blindly, according to the rules established by the Concours Mondial de Bruxelles.

To assess and score the competing wines and spirits, the Digital Tasting Sheet designated by the Concours Mondial de Bruxelles 2023 will be used.

VIII. About the awards:

The samples that obtain the required scores during the tasting sessions will receive the following prizes:

- Grand Gold Medal
- Gold Medal
- Silver Medal

However, the total number of medals awarded by the jury, according to the results, must not exceed 30% of the competing wines.

The **México Selection by CMB 2023** will certify each award by delivering a diploma and physical medal that will exactly identify the winning sample. The wineries may mention the prizes obtained on the labels of the respective samples or on other types of media. However, the organizers of the **México Selection by CMB 2023** reserve the exclusive right to supply self-adhesive prints of the Contest medals, as well as the rights to reproduce these medals on labels, against labels or other media.

IX. About the categories:

- Each participating sample must be registered in one of the categories indicated in the registration website, and only in one of them, mentioning its respective identification number.
- The wines that are identified with a certain strain must be made with at least 80% of that variety.
- Wines identified as dry must have a residual sugar content of no more than 4 grams per liter.
- Wines identified as semi-sweet or sweet must have a residual sugar content greater than 4 grams per liter.
- The organizers reserve the right to delete or create new categories in the event, in order to justify the number and type of competing products.

Wines and spirits produced in Mexican territory, included in the Categories indicated in the registration website, in accordance with Mexican legislation and the definitions of the International Code of Oenological Practices of the OIV, are invited to participate.
